

ICONIP2013

The 20th International Conference on
Neural Information Processing
3 - 7 NOVEMBER 2013 / DAEGU, KOREA

Paper Submission

Authors are invited to submit extended abstracts on specific topics or full-length papers (8 pages maximum) by the submission deadline through the online submission system. **Extended abstracts** must include the aim or rationale for the following specific topics: **Neuroscience, Neuro-psychology, Industrial applications, Cognitive science, and Demonstration.**

The submission of a paper implies that the paper is original and has not been submitted under review, or copyright-protected elsewhere and will be presented by an author if accepted. All submitted papers will be reviewed by area experts based on the criteria of originality, significance, quality, and clarity. The authors of accepted papers will have an opportunity to revise their papers and take consideration of the reviewers' comments and suggestions. The proceedings of ICONIP 2013 will be published by Springer in its series of Lecture Notes in Computer Science. Selected papers will be included in special issues of **Neural Networks, Neurocomputing, IEEE Trans. on Industrial Informatics (tentative), and Neural Processing Letters (tentative), etc.**

DAEGU, KOREA

Daegu Metropolitan City is the third largest city in Korea and is located in the southeastern part of the Korean peninsula. With an efficient transportation network linked in all directions, Daegu Metropolitan City is a gateway to numerous cultural heritages and tourist attractions, all proudly displaying the unique Korean culture. Daegu is at the heart of Buddhist and Confucian traditions and is therefore a perfect place to appreciate the true character of Asia. The organizing committee of ICONIP 2013 welcomes you to experience and enjoy the following tour programs.

Historical / Cultural Tour-"UNESCO World Cultural Heritage sites"

Daegu Metropolitan City is surrounded by UNESCO World Cultural Heritage sites-such as Andong Folk Village, Yangdong Folk Village, Seokguram Grotto, Bulguksa Temple and Tripitaka Koreana.
